BCCA PRESIDENT'S MESSAGE

The 1990 edition of the BCCA Roster is provided as a service to you as a BCCA member.. This is a very informative publication that is published on a yearly basis with supplements issued throughout the year in the NEWS REPORT. This publication contains a wealth of information and those that study its contents will find out a lot about the BCCA club and its goals, history and members. BCCA members in good standing are shown alphabetically, numerically and by geographical area. Information about the BCCA's more than 100 chapters is spelled out in detail. This data can be vital for those wanting to contact the source of numerous can shows across the country. The Roster also contains a list of BCCA officers, board members, committee chairpersons, the NEWS REPORT staff and our Office Manager. Plus, the Roster covers the history of our 20 years, a listing of our Hall of Fame and a copy of our Constitution and ByLaws. This publication contains a lot for your dues dollar.

The BCCA in many respects is like a large fraternal organization. Members across the country continually enjoy hearing, visiting and trading with other members. As you travel, take your Roster with you. Do as the commercial says and "Don't Leave Home Without It." When you are on the road, give a fellow BCCA member a call. That often leads to a visit, a new friend and an addition to your collection.

It's the BCCA's 20th Anniversary this year and our club is as strong as ever. We have come a long way in two decades and following a

surge in membership during the mid to late '70s, we have leveled off to a strong membership base. Congratulations are in order to those who founded our organization, those who contributed to running it over the years, and those who have been members over the years. Success was accomplished and I'm sure it will continue for many years to come.

Membership is a key to our future success. Two-thirds of our new members come by word-of-mouth. Pass on the good times to others. If you are reading this message, promise yourself that in the next 30 days you will talk someone else into joining our BCCA Club. Please give back to the BCCA a small bit of the pleasure you have received by bringing in another member. My thanks in advance for your efforts.

Following membership, communication is second on this President's priority list. Progress cannot be achieved without good communication and the Board of Directors need to hear from you. This Roster contains a listing of Board Members assigned to cover correspondence and input from designated geographical areas. You are not limited to those specific contacts, but above all, please communicate. We want to hear from you.

We do ask that the BCCA ByLaws be respected in that this publication not be used as a mailing list for price lists on cans and breweriana. This Roster is not intended to monetarily benefit any individual person. We thank you for your cooperation in this matter.

Last, but certainly not least, I want to express my appreciation to Marcia Butterbaugh, Roster Chairperson, and her hardworking group for another outstanding edition.

I have traveled to a number of chapters to date during my term as president and there is enthusiasm in the air wherever I have gone. New members have joined the BCCA as a new hobby, and many members have rejoined after dropping out. It is possible we are seeing a resurgence of the hobby. It is exciting!! Think big. Think membership, and think local chapters.

Here's wishing you and yours an excellent 1990 year.

Bruce Gregg #248, BCCA President

EDITOR'S MESSAGE

Welcome to this special 1990 edition of the BCCA Roster commemorating 20 years of the BCCA. Imagine what it was like to have been collecting in 1970 - and if you knew then what you know now about cans! I hope you will enjoy the "photo history" in this roster - thanks to Lonnie Smith and Ron Andracsek. Lew Gady did the very creative cover photo. The back cover contains a special photo of the first CANvention attendees.

My thanks to Greg Plumb and Donna Guseman for computer assistance that makes it possible for me to publish this roster. Don Hicks, BCCA vice president, prepared the chapter information and Art Zerby, board member and historian, prepared the 1989 history and updated the Hall of Fame.

At the suggestion of Harry Lehman, we added chapter newsletter editor names in the Chapter Listings. This gives members yet another opportunity for contact with chapters. Cheers to a new decade of collecting...

The BCCA Hall of Fame was founded in 1983 as a means of honoring outstanding members of our club who contribute their time and efforts toward the advancement of the hobby either on a local or national level. Members who have unselfishly contributed their time and talents to the BCCA are nominated.

Nominees are submitted through BCCA local chapters. The top five candidates are featured in the July-August NEWS REPORT along with a ballot. Members may select any two of the five candidates.

To be inducted into the Hall of Fame a candidate must receive a 50% endorsement by the voting membership. For example, if 200 members vote for two candidates, any candidate who receives 100 or more votes out of a total of 400 votes recorded, would be inducted into the Hall of Fame. In addition, the top vote-getter receives the "Denver Wright, Jr." award.

E R N I E O E S T
1972 BCCA #108

Ernie began visiting breweries and collecting breweriana before a good many members were born. He is probably one of the most knowledgeable members of the BCCA on the subject of breweries and breweriana, both pre- and post-prohibition. Uncle Ernie no longer accumulates cans, but supports the BCCA in every way. His interest now has converted to his first love -- brewery labels. He has amassed one of the largest

label collections in the world.

D E N V E R W R I G H T , J R .
1973 BCCA #1

Denver was BCCA's first president. He and five other collectors from the St. Louis area founded the Beer Can Collectors of America in 1970. He collected only full cans, mostly given to him by friends and other collectors. His collection was kept in sealed cabinets, and known as "The Denver Wright Foundation." He periodically published "Ye Olde Foundation Herald" depicting highlights of friends and other collectors. He assigned rank following naval ascension to those individuals supplying new cans for the "Foundation." All contributors were ranked from "seaman" to "admiral" depending upon their total contribution. He passed away in July 1982, but Denver is well remembered for his contribution to our hobby. Lois Wright was presented with a lifetime membership at the 1982 CANvention. Annually, the Denver Wright, Jr. Award is given to the collector receiving the most votes for the Hall of Fame.

CHAPTER GUIDELINES

Over the past years our organization of Beer Can Collectors has grown because chapters have been seeking new members from their area. Today, with a membership of over 4000 we have 100+ chapters around the country and abroad. BCCA chapters are the backbone and strength of the national BCCA. Through chapters, the organization can solicit board members, committee members and future CANvention sites. Chapters help promote the club on a local level and help members to have a greater voice in the national organization. Chapters also serve to provide a local source for collectors to actively participate in the hobby and to share information on a regular basis. For continuity among chapters, the following guidelines have been set:

OFFICERS Chapters must have at least two officers as BCCA members in good standing. A minimum of 3 different officers are required, held by 3 different chapter members. The treasurer must be at least 18 years old. BCCA policy does not allow listing of names in the roster if not a current member.

Officer terms should begin in conjunction with the national's fiscal year beginning October 1 and continuing through September 30 of the following year.

CONSTITUTION AND BYLAWS Each chapter must have a constitution and bylaws which are fashioned after, and not to contradict the national BCCA. A copy should be sent to the BCCA office along with a new chapter application or whenever a change is made.

CHAPTER SIZE AND MEMBERSHIP The

minimum size of chapters is set at ten (10) BCCA members. This requirement will be given consideration for certain areas or types of chapters, and may be waved in some instances. Chapters may have associate, or non-BCCA members. All members of the chapter need not be BCCA members at the time of the original chapter application. However these chapter members are encouraged to become BCCA members at the time of chapter renewal. Chapters may wish to govern trail/associate membership by special chapter bylaws.

CHAPTER HEADQUARTERS A headquarters city should be designated and the area covered should be defined in terms of miles covered. (At-large chapters do not need to name a headquarters or specify area covered.)

AT-LARGE CHAPTERS These special chapters are comprised of members throughout the country and are not bound by geographic locations. They serve to provide BCCA members a forum for communicating and exchanging information on a specialized area of collecting. These chapters should conform to the same requirements set forth for other chapters with the exception of geographical identity.

CHAPTER RECOGNITION Chapters in good standing will be listed annually in the roster.

CHAPTER CODES Each chapter is given a code number at the time it is formed. The numbering system is in numerical order with the highest number being the most recent formed. The chapter codes are listed in the roster. Members may use the chapter number to indicate chapter affiliation in the roster listing.

CHAPTER RENEWALS Annually in the fourth quarter, chapters will be

asked to update their chapter information to the BCCA vice president. This information will be compiled for the roster chapter listing.

CHAPTER RESPONSIBILITIES Chapter officers have the responsibility to see that local drinking laws are adhered to with respect to minors at all chapter sessions.

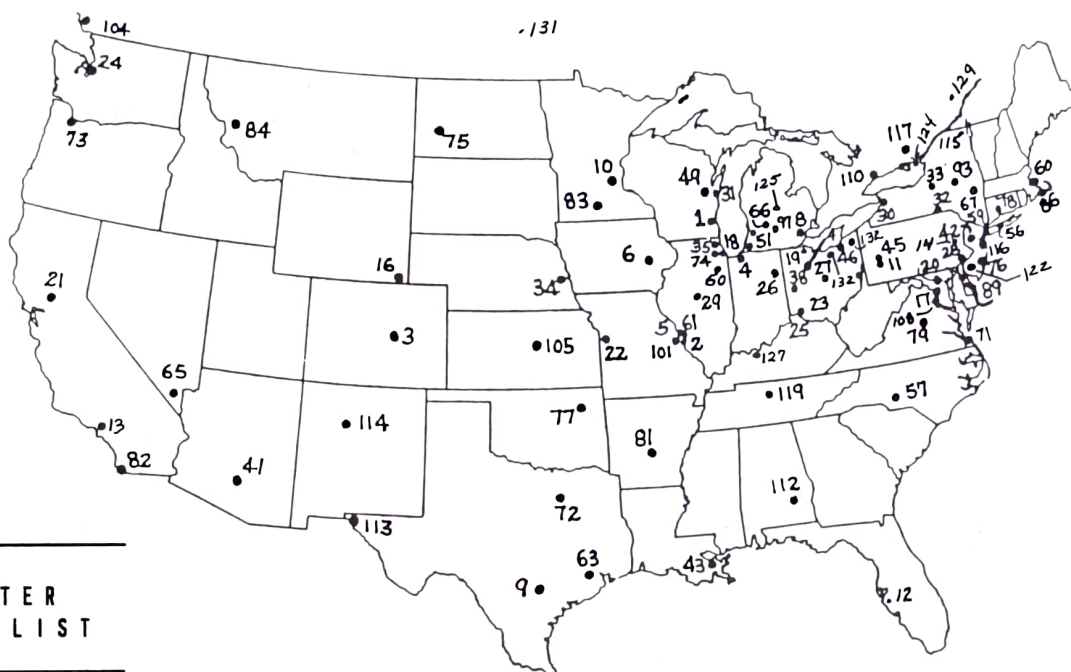

Dues, frequency of trade sessions, etc., will depend on individual chapters. The buying and selling of any beer can or other collectible item of breweriana shall be at the discretion of individual chapters for their own local events.

Chapters are asked to submit a list of all states which fall within their area (except At-Large chapters). A list of new BCCA members from those areas will be provided to the chapter to aid in soliciting new chapter members.

Chapters are encouraged to submit local newspaper and publicity stories that are published about the chapter events and members to the BCCA office for inclusion in the historical records.

The national BCCA is ready at all times to offer help or suggestions when requested. All correspondence should be directed to the BCCA vice president.

Respectfully submitted,
Don Hicks #16600
BCCA Vice President

At the end of the chapter renewal period we started the year with 105 chapters. We lost three chapters and gained three new chapters. We have 38 states represented, the District of Columbia, five Canadian providences and 12 At-Large chapters. This is an excellent base. Already this year there have been a number of inquiries on forming new chapters. Do what you can to keep the numbers increasing. Chapters are the prime strength of our hobby.

The 1990 Board of Directors have geographical responsibility for corresponding with chapters and members from their designated areas. 2.04 The board of directors may suspend any member and declare him/her to not be in good standing for a limited period of time, or may revoke any membership, thereby placing the member not in good standing, whenever the board, in its discretion, upon such information as may be available to it, considers that the member has violated any of the provisions of the constitution or bylaws, or the spirit thereof, or that such action is in the best interests of the organization, provided, however, the board, prior to any such suspension or revocation, shall give the member at least ten (10) days written notice of the board meeting at which the charge will be considered, and provided, further, the member shall have the right to appear and present relevant evidence at such meeting.
